21 April 2016

Dear Sirs,

Darty plc (the "Company")

We refer to the proposed acquisition by Fnac of the entire issued, and to be issued, share capital of the Company (the "Company's Share Capital") (the "Transaction"), which we understand is expected to be implemented substantially on the terms and subject to the conditions set out in the Rule 2.7 announcement, a draft of which is annexed to this undertaking (the "Announcement"), subject (other than in respect of the conditions except insofar as may be necessary to reflect the implementation of the Transaction by way of a scheme of arrangement under Part 26 of the Companies Act 2006 (as amended) (the "Scheme")) to any revision(s) or variation(s) thereto as Fnac may determine or as may otherwise be required to comply with any applicable law or regulation. The terms of this letter are conditional on Fnac releasing the Announcement by no later than 5:00 p.m. on 21 April 2016, or by such later time and date as we and Fnac may otherwise agree, that entitles each of the Company's shareholders:

- i. to receive not less than 145 pence for each share held in the Company's Share Capital (the "Cash Price"); and
- ii. to elect for a partial share alternative that attributes the same price to each share in the Company's Share Capital as the Cash Price (calculated on the basis of the value of a Fnac share as at the close of business on 20 April 2016 (the "Partial Share Alternative")).

The confirmations, irrevocable undertakings, covenants, consents, waivers and acknowledgements given by us on the terms of this letter are given on behalf of Knight Vinke Asset Management LLC for itself and on behalf of the other Knight Vinke companies and partnerships, and a reference in this letter to "we" or "us" shall be construed accordingly.

1. We confirm that, subject to paragraph 9:
 - a. we are the beneficial owner of (or are otherwise able to control the exercise of all rights attaching to and the ability to procure the transfer of) the ordinary shares of €0.30 each in the Company's Share Capital, as set out in Part A of the Appendix to this letter (the "Shares", which expression shall include any other shares in the Company's Share Capital issued after the date hereof and attributable or derived from such Shares);
 - b. we do not hold any relevant securities of the Company or any interest therein other than as set out in Part A of the Appendix to this letter;

- c. we are able to transfer those Shares set out in Part B of the Appendix (the "Committed Shares") free of all liens, equities, charges, encumbrances, options, rights of pre-emption and any third party rights or interests of any kind whatsoever;
- d. none of the Committed Shares are subject to any contract, assignment, charge, option or other disposition or restriction whatsoever; and
- e. we have full power, authority and right (free from any legal or other restrictions) and will at all times during which this undertaking remains in force continue to have all relevant power and authority and the right to enter into this letter and to perform all of the obligations under it in accordance with its terms;

2. We irrevocably undertake, in the event the Transaction is implemented by way of Scheme, subject to paragraph 9:

- a. to validly cast (and not to revoke or withdraw), or procure that there be validly cast (and not revoked or withdrawn), in person or by proxy (in accordance with the instructions set out in the scheme document which would be published by the Company in connection with the Transaction (the "Scheme Document")), all votes attaching to the Committed Shares and to any other relevant securities of the Company or any interest therein that from time to time we hold or are otherwise able to control the exercise of the rights attaching thereto (the "Further Interests") at (i) any general meeting of the Company's shareholders to be held in connection with the Scheme (the "General Meeting") (or any adjournment thereof); and (ii) at the court meeting convened to approve the Scheme (the "Court Meeting") (or any adjournment thereof):
 - i. in favour of the resolutions proposed in connection with or required to approve and give effect to the Scheme; and
 - ii. to give any such other consents in our capacity as holder of the Committed Shares and the Further Interests as may be necessary or desirable to approve and give effect to the Scheme;
- b. unless and until the Transaction has lapsed or been withdrawn, to validly cast, or procure that there be validly cast votes attaching to the Committed Shares and the Further Interests:
 - i. against any resolution of the Company's shareholders proposed in connection with or to approve or implement:
 - A. an offer or possible offer, scheme of arrangement, merger, acquisition or business combination, recapitalisation or other transaction (in each case whether or not subject to pre-conditions or conditions) relating to the Company which, if accepted, implemented or otherwise carried out in full, would result in a party that is not acting in concert with Fnac acquiring (together with the parties acting in concert with it) or otherwise being able (together with the parties acting in concert with it) to direct the exercise of voting rights in respect of 50% or more of the Company's Share Capital; and

B. any other arrangement or transaction with a party that is not acting in concert with Fnac which would be materially inconsistent with the full implementation of the Transaction or would otherwise be an alternative to the Transaction,

in each case howsoever it is proposed that such offer, proposal or transaction be implemented whether, without limitation, by way of scheme of arrangement, merger, business combination, dual listed company structure or otherwise (a "Competing Transaction").

3. We irrevocably undertake, in the event that the Transaction is implemented by way of a contractual offer (the "Offer"), subject to paragraph 9, to complete, execute and deliver (or to procure that this be done) a fully executed form (or forms) of acceptance in respect of the Offer in the case of certificated shares, or to accept electronically in the case of uncertificated shares, (in either case, in accordance with the terms of the Offer) not less than seven days prior to the first closing date of the Offer (and not to withdraw any such acceptance(s) of the Offer) in respect of the Committed Shares and the Further Interests.
4. If the Announcement (or any subsequent announcement, if made) includes the Partial Share Alternative, we irrevocably undertake, regardless of whether the Transaction is to be implemented by way of Scheme or Offer, subject to paragraph 9, to elect for the Partial Share Alternative in accordance with the instructions to be set out in the Scheme Document and/or any formal document containing the Offer and any form of election published in connection with the Transaction and, therefore, to receive new Fnac shares, and not cash, to the fullest extent possible in consideration for all of the Committed Shares and the Further Interests.
5. We irrevocably undertake, subject to paragraph 9, not to (or incur any obligation to or indicate any intent to):
 - a. cast, or procure that there be cast, any vote attaching to the Committed Shares or the Further Interests in any manner likely to be prejudicial to the Transaction;
 - b. unless this letter has been terminated in accordance with paragraph 8, accept an offer by a third party, if a Competing Transaction is to be so implemented, unless and until such offer becomes or is declared wholly unconditional;
 - c. carry out any dealing, encumber or otherwise dispose (whether conditionally or unconditionally) of any of the Committed Shares, the Further Interests or any interest therein other than in connection with the Transaction; or
 - d. carry out any dealing or otherwise acquire (whether conditionally or unconditionally) any share(s) or other interest(s) in the Company's Share Capital or in the share capital of Fnac unless the Panel on Takeovers and Mergers (the "Panel") has determined and confirmed to us that we are not acting in concert with Fnac.
6. We shall promptly provide you with all information relating to us or any parties acting in concert with us that may reasonably be required and provide you with details of any dealings by us or any parties acting in concert with us in any relevant securities of the Company or Fnac immediately following the relevant dealing as you may require, in each case, in order to comply with the rules and regulations of the UK Listing Authority (the "UKLA"), the French *Autorité des marchés financiers* (the "AMF"), the London Stock Exchange, Euronext Paris S.A. ("Euronext Paris"), the

Panel (including with respect to Rule 17 of The City Code on Takeovers and Mergers (the "Takeover Code") and any other legal or regulatory requirements for inclusion in the Scheme Document (in the event the Transaction is implemented by way of the Scheme) or the formal document containing the Offer (in the event the Transaction is implemented by way of the Offer).

7. We consent to the issue of an announcement (or announcements) incorporating references to us and to this undertaking, including in the Announcement, and to the inclusion of the particulars of this letter in the Scheme Document or the formal document containing the Offer, together with any information provided in accordance with paragraph 6. We also acknowledge that a copy of this letter will be available for inspection (including on a website) until the effective date of the Scheme or until the Offer becomes or is declared wholly unconditional (as applicable).
8. Except for paragraphs 12 to 16 that shall survive any termination of this letter, the terms of this letter will automatically terminate and be of no further force or effect if:
 - a. the Announcement is not released by 5:00 p.m. on 21 April 2016, or by such later time and date as we and Fnac may otherwise agree, on the terms and subject to the conditions set out or referred to in the Announcement and/or such other terms and conditions as may be required by the Takeover Code and/or the requirements of the UKLA, the AMF, the London Stock Exchange, Euronext Paris, or any other relevant exchange;
 - b. in the event the Transaction is to be implemented by way of the Scheme, the Scheme does not become effective on or before the Long Stop Date (as defined in the Announcement), or otherwise lapses in accordance with its terms, unless the Offeror has announced that it elects, with the consent of the Panel, to implement the Transaction by way of the Offer;
 - c. in the event the Transaction is to be implemented by way of the Offer, the Offer does not become or is not declared wholly unconditional, or lapses in accordance with its terms, unless the Offeror has announced that it elects, with the consent of the Panel, to implement the Transaction by way of the Scheme; or
 - d. Fnac announces, with the consent of the Panel, that it does not intend to proceed with the Transaction.
9. As you are aware, we hold the Committed Shares as an investment manager on behalf of underlying investors. If at any time we notify you that we are no longer able to comply with the terms of this letter because the investors whose funds we manage have withdrawn their mandates to us or have adjusted their investment instructions to us, the number of Committed Shares subject to the terms of this letter will be reduced accordingly. If all Committed Shares are affected in this way, the terms of this letter, except for paragraphs 12 to 16 that shall survive any termination of this letter, will automatically terminate and be of no further force or effect.
10. For the avoidance of doubt, we acknowledge that the release of the Announcement is at Fnac's absolute discretion and nothing in this letter shall oblige Fnac to announce or proceed with the Scheme, the Offer or the Transaction.
11. Without prejudice to any other rights or remedies that Fnac may have, we acknowledge and agree that damages alone would not be an adequate remedy for any breach of the terms of this letter by us. Accordingly, Fnac shall be entitled to the remedies of injunction, specific performance or other equitable relief for any threatened or actual breach of the terms of this letter.

12. We do not intend that any of the terms of this letter will be enforceable by any person other than Fnac and us by virtue of the Contracts (Rights of Third Parties) Act 1999.
13. This letter and any dispute or claim arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims) shall be governed by and construed in accordance with the law of England and Wales. We irrevocably agree that the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim arising out of or in connection with this letter or its subject matter or formation (including non-contractual disputes or claims), and irrevocably submit to such jurisdiction. We irrevocably waive any objection which we might at any time have to the courts of England being nominated as the forum to hear and decide any proceedings and to settle any disputes and agree not to claim that the courts of England are not a convenient or appropriate forum.
14. Notwithstanding paragraph 13, nothing in this letter shall prevent Fnac from applying to any court of competent jurisdiction for provisional or interim measures to protect or enforce its rights under this letter, including but not limited to any claim for preliminary injunctive relief.
15. Without prejudice to any other mode of service allowed under any relevant law:
 - a. we irrevocably appoint Knight Vinke Asset Management (UK) Limited of 25 Hanover Square, London W1S 1JF as our agent for service of process in relation to any proceedings before the English courts in connection with any of the rights and obligations (including any non-contractual obligations) arising under or in connection with or related to this letter; and
 - b. we agree that failure by the process agent to notify us of any such process will not invalidate the proceedings concerned.
16. This deed of irrevocable undertaking supersedes and replaces in its entirety the deed of irrevocable undertaking executed and delivered by us on 6 November 2015 (the "Current Undertaking") which shall unconditionally and irrevocably terminate with immediate effect. Save as otherwise expressly set out therein, our further obligations under the Current Undertaking shall cease immediately, but such termination shall not affect your accrued rights and our accrued obligations at the date hereof.
17. For the purposes of this letter, references to "interest", "relevant securities", "dealing" and "acting in concert" shall have the meaning ascribed to each such term in the Takeover Code.
18. In this letter, "Business Day" means a day, other than an English or French public holiday, Saturday or Sunday, when banks are open in London and Paris for general banking business.

IN WITNESS of which this document has been duly executed and delivered as a deed on the day and year first stated above.

FOR IMMEDIATE RELEASE

21 April 2016

**INCREASED CASH OFFER WITH PARTIAL SHARE ALTERNATIVE
FOR
DARTY PLC
BY
GROUPE FNAC S.A.**

Summary

Fnac is pleased to announce the terms of an increased cash offer with a Partial Share Alternative for the entire issued and to be issued share capital of Darty.

Fnac announced earlier today that it has waived the outstanding pre-condition to the Proposed Acquisition (which related to the receipt of anti-trust clearance from the French Competition Authority).

Fnac and its advisers intend to engage with Darty and its advisers in due course to seek a recommendation of the Increased Offer from the Darty Board.

- Under the terms of the Increased Offer, which will be subject to the Conditions and further terms to be set out in the Offer Document, Darty Shareholders will be entitled to receive:

For each Darty Share: 145 pence in cash

which values the entire issued and to be issued share capital of Darty at £779 million.

- The cash consideration payable under the terms of the Increased Offer is not conditional on the passing of the Fnac Shareholder Resolutions.
- The Increased Offer represents a premium of approximately:
 - 79 per cent. to the Closing Price of 81 pence per Darty Share on 29 September 2015 (being the last Business Day before the date of Fnac's Possible Offer Announcement);
 - 38 per cent. to the value of the Original Offer of approximately 105 pence per Darty Share (based on the Closing Price of €55.6 per Fnac Share on 19 November 2015 (being the last Business Day before the date of the Original Offer Announcement));
 - 18 per cent. to the value of the Original Offer of approximately 123 pence per Darty Share (based on the Closing Price of €57.8 per Fnac Share on 20 April 2016 (being the last Business Day before the date of this Announcement));
 - 5 per cent. to the value of Conforama Investissement's offer of 138 pence per Darty Share, as set out in the Conforama Offer Announcement; and
 - 10 per cent. to the Closing Price of 132 pence per Darty Share on 20 April 2016 (being the last Business Day before the date of this Announcement).
- The Increased Offer will also include a Partial Share Alternative, pursuant to which Eligible Darty Shareholders will have the opportunity to elect to receive New Fnac Shares *in lieu* of all or part of the cash which they would otherwise have been entitled to receive pursuant to the terms of the Increased Offer on the following basis (subject to scaling down in accordance with the terms of the Partial Share Alternative):

For every:

125 Darty Shares held,

4 New Fnac Shares

which values each Darty Share at 147 pence at the Closing Price on 20 April 2016.

- If the Fnac Shareholder Resolutions are passed, a maximum aggregate amount of 7,687,063 New Fnac Shares (representing approximately 50 per cent. of Fnac's issued share capital as of the date of this Announcement) will (save as set out in Part D of Appendix 1) be available under the Partial Share Alternative, which will be issued to those Eligible Darty Shareholders that make a valid election under the Partial Share Alternative.
- If the Fnac Shareholder Resolutions are not passed, a maximum of 3,300,000 New Fnac Shares (representing approximately 20 per cent. of Fnac's issued share capital as of the date of this Announcement) will (save as set out in Part D of Appendix 1) remain available under the Partial Share Alternative.
- If 7,687,063 New Fnac Shares are available under the Partial Share Alternative, then elections for the Partial Share Alternative could be satisfied in full in respect of a maximum aggregate amount

of 238,298,947 Darty Shares (representing 45 per cent. of Darty's issued share capital as of the date of this Announcement).

- If 3,300,000 New Fnac Shares are available under the Partial Share Alternative, then elections for the Partial Share Alternative could be satisfied in full in respect of a maximum aggregate amount of 102,300,000 Darty Shares (representing 19 per cent. of Darty's issued share capital as of the date of this Announcement).
- To the extent that valid elections under the Partial Share Alternative cannot be satisfied in full, they will be scaled down as nearly as reasonably practicable *pro rata* to the number of New Fnac Shares which each Eligible Darty Shareholder's valid election under the Partial Share Alternative bears to the total aggregate number of New Fnac Shares to be issued pursuant to all valid elections made under the Partial Share Alternative, and the balance of the consideration will be satisfied in cash.
- [Fnac announced earlier today that it has purchased a total of [●] Darty Shares from Darty Shareholders, credited as fully paid, representing [●] per cent. of Darty's issued share capital as of the date of this Announcement, at a price of [●] pence per Darty Share.]
- In addition, Fnac has received support for the Proposed Acquisition from Darty Shareholders holding 16.8 per cent. of the issued share capital of Darty. Such shareholders have irrevocably undertaken to accept the Increased Offer and to elect for the Partial Share Alternative in respect of all (subject to scaling down in accordance with the terms of the Partial Share Alternative) of their Darty Shares.
- Accordingly, Fnac either holds, or has received irrevocable undertakings to accept the Offer in respect of a total of 89,032,789 Darty Shares, representing approximately 16.8 per cent. of the issued share capital of Darty.
- The Original Offer will also remain available for acceptance.
- Based on Fnac's and Darty's most recent annual accounts, the Combined Group would have annual sales of over €7 billion and an EBITDA of approximately €265 million (on a *pro forma* basis), and would:
 - be a leader in France, generating French sales of €5.6 billion;
 - have approximately 400 stores across France, combining two complementary store networks;
 - have a sizeable international presence, with over 210 stores outside France, across Belgium, the Netherlands, Spain, Portugal, Brazil, Switzerland, Morocco, Qatar and the Ivory Coast;
 - present an enhanced online offering, with attractive growth prospects. Fnac's website receives approximately 8 million unique visitors per month, with 4.6 million for Darty; and
 - be a leading omni-channel player in its categories of products.
- The Fnac Board believes that the Proposed Acquisition will result in compelling financial benefits to the Combined Group, including total annual pre-tax synergies of at least €130 million *per annum*. This amount does not take into account the impact of any remedies that may be imposed by the French Competition Authority.

- As set out in more detail in section 3 of this Announcement, the Fnac Board believes that Darty and Fnac represent a logical and complementary fit. Accordingly, Fnac believes that the Proposed Acquisition is a compelling strategic transaction in this segment of retail.
- It is intended that the Proposed Acquisition will be implemented by way of a takeover offer within the meaning of Part 28 of the Act. However, Fnac reserves the right to elect, with the agreement of Darty and with the consent of the Panel (where necessary), to implement the Proposed Acquisition by way of a Court-sanctioned scheme of arrangement in accordance with Part 26 of the Act. In such event, the Proposed Acquisition would be implemented on substantially the same terms, subject to appropriate amendments.
- It is expected that the Fnac Prospectus, containing information about the New Fnac Shares and the Combined Group, will be sent to Darty Shareholders with the Offer Document and the accompanying Forms of Acceptance.

This summary should be read in conjunction with, and is subject to, the full text of this Announcement (including the Appendices). The Proposed Acquisition will be subject to the Conditions and certain further terms set out in Appendix 1 and to the full terms and conditions which will be set out in the Offer Document and the accompanying Forms of Acceptance. Appendix 2 contains sources and bases of certain information contained in this Announcement. Appendix 3 contains certain information relating to Fnac and Darty. Details of the irrevocable undertakings received from Darty Shareholders by Fnac, and of Fnac's interests in Darty Shares are set out in Appendix 4. Appendix 5 contains information relating to the Quantified Financial Benefits Statement made in this Announcement and the reports of Fnac's reporting accountant and financial adviser. Appendix 6 contains the definitions of certain terms used in this Announcement.

The release, publication or distribution of this Announcement in jurisdictions other than the United Kingdom and France may be restricted by law and therefore any persons who are subject to the laws of any jurisdiction other than the United Kingdom and France should inform themselves about, and observe

any applicable requirements. In particular, the ability of persons who are not resident in the United Kingdom or France to accept the Proposed Acquisition, to execute and deliver Forms of Acceptance, or to elect for the Partial Share Alternative, may be affected by the laws of the relevant jurisdictions in which they are located.

This Announcement has been prepared for the purpose of complying with English law, French law and the City Code and the information disclosed may not be the same as that which would have been disclosed if this Announcement had been prepared in accordance with the laws of jurisdictions outside the United Kingdom and/or France.

Unless otherwise determined by Fnac or required by the City Code, and permitted by applicable law and regulation, the Proposed Acquisition will not be made available, directly or indirectly, in, into or from a Restricted Jurisdiction or any other jurisdiction where to do so would violate the laws in that jurisdiction and no person may accept the Proposed Acquisition by any use, means or instrumentality from within a Restricted Jurisdiction or any other jurisdiction where to do so would constitute a violation of the laws of that jurisdiction. Accordingly, copies of this Announcement and any formal documentation relating to the Proposed Acquisition are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in or into or from any Restricted Jurisdiction or any other jurisdiction where to do so would constitute a violation of the laws of that jurisdiction and persons receiving such documents (including custodians, nominees and trustees) must not mail or otherwise forward, distribute or send them in or into or from any Restricted Jurisdiction or any other jurisdiction where to do so would constitute a violation of the laws of that jurisdiction.

The Proposed Acquisition may not be made, directly or indirectly, in or into, a Restricted Jurisdiction or any other jurisdiction where to do so would constitute a violation of the laws of that jurisdiction by the use of mails or any means or instrumentality (including, but not limited to, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of any Restricted Jurisdiction or any other jurisdiction where to do so would constitute a violation of the laws of that jurisdiction and the Proposed Acquisition may not be capable of acceptance by any such use, means, instrumentality or facilities.

The availability of the Proposed Acquisition to Darty Shareholders who are not resident in the United Kingdom or France may be affected by the laws of the relevant jurisdictions in which they are resident. Persons who are not resident in the United Kingdom or France should inform themselves of, and observe, any applicable legal or regulatory requirements.

Further details in relation to Darty Shareholders in overseas jurisdictions will be contained in the Offer Document.

Additional US information

The Proposed Acquisition relates to the shares of a UK company and a French company and is subject to UK and French procedural and disclosure requirements that are different from those of the US. Any financial statements or other financial information included in this Announcement may have been prepared in accordance with non-US accounting standards that may not be comparable to the financial statements of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US. It may be difficult for US holders of shares to enforce their rights and any claims they may have arising under the US federal securities laws in connection with the Proposed Acquisition, since Fnac and Darty are located in countries other than the US, and some or all of their officers and directors may be residents of countries other than the United States. US holders of shares in Fnac or Darty may not be able to sue Fnac, Darty or their respective officers or directors in a

non-US court for violations of US securities laws. Further, it may be difficult to compel Fnac, Darty and their respective affiliates to subject themselves to the jurisdiction or judgment of a US court.

It is intended that the Proposed Acquisition will be implemented by way of a takeover offer under English law. Accordingly, the Proposed Acquisition will be made in the US pursuant to Section 14(e) and Regulation 14E under the US Exchange Act as a "Tier II" tender offer, and otherwise in accordance with the requirements of the City Code. Accordingly, the Proposed Acquisition will be subject to disclosure and other procedural requirements, including with respect to withdrawal rights, offer timetable, settlement procedures and timing of payments that are different from those applicable under US domestic tender offer procedures and law. A person who makes a valid election to receive, and does in fact receive, New Fnac Shares pursuant to the Partial Share Alternative or the Original Offer may not resell such securities without registration under the US Securities Act or without an applicable exemption from registration or in a transaction not subject to registration (including a transaction that satisfies the applicable requirements of Regulation S under the US Securities Act).

Alternatively, the Proposed Acquisition may be implemented by way of a scheme of arrangement under English law which is not subject to the tender offer rules under the US Exchange Act, in which case the Proposed Acquisition would be subject to the disclosure requirements and practices applicable in the UK to schemes of arrangement which differ from the disclosure requirements of the US tender offer rules. If the Proposed Acquisition is implemented by way of a scheme of arrangement, the New Fnac Shares would be expected to be issued in reliance upon the exemption from the registration requirements of the US Securities Act provided by Section 3(a)(10) of the US Securities Act. Section 3(a)(10) exempts securities issued in exchange for one or more outstanding securities from the general requirements of registration where the terms and conditions of the issuance and exchange of such securities have been approved by a court, after a hearing on the fairness of the terms and conditions of the issuance and exchange at which all persons to whom such securities will be issued have the right to appear and be heard. The Court would hold a hearing on the Scheme's fairness to Darty Shareholders, at which hearing all such shareholders would be entitled to attend in person or through counsel. If the Proposed Acquisition is implemented by way of the Scheme, a person who makes a valid election to receive, and does in fact receive, New Fnac Shares pursuant to the Partial Share Alternative or the Original Offer and who is an affiliate of Fnac may not resell such securities without registration under the US Securities Act or pursuant to the applicable resale provisions of Rule 144 under the US Securities Act or another applicable exemption from registration or in a transaction not subject to registration (including a transaction that satisfies the applicable requirements of Regulation S under the US Securities Act). Whether a person is an affiliate of a company for the purposes of the US Securities Act depends on the circumstances but affiliates can include certain officers, directors and significant shareholders. Persons who believe that they may be affiliates of Fnac should consult their own legal advisers prior to any sale of securities received pursuant to the Scheme.

Investors should be aware that Fnac may purchase or arrange to purchase Darty Shares otherwise than under any takeover offer or scheme of arrangement related to the Proposed Acquisition, such as in open market or privately negotiated purchases.

FOR IMMEDIATE RELEASE

21 April 2016

**INCREASED CASH OFFER WITH PARTIAL SHARE ALTERNATIVE
FOR
DARTY PLC
BY
GROUPE FNAC S.A.**

1. INTRODUCTION

Fnac is pleased to announce the terms of an increased cash offer with a Partial Share Alternative for the entire issued and to be issued share capital of Darty.

Fnac announced earlier today that it has waived the outstanding pre-condition to the Proposed Acquisition (which related to the receipt of anti-trust clearance from the French Competition Authority).

Fnac and its advisers intend to engage with Darty and its advisers in due course to seek a recommendation of the Increased Offer from the Darty Board.

2. THE INCREASED OFFER

Under the terms of the Increased Offer, which will be subject to the satisfaction (or waiver, if permitted) of the Conditions set out in Appendix 1, to the certain further terms set out in Appendix 1, and to the full terms and conditions which will be set out in the Offer Document, Darty Shareholders will be entitled to receive:

For each Darty Share: 145 pence in cash

which values the entire issued and to be issued share capital of Darty at £779 million.

The cash consideration payable under the terms of the Increased Offer is not conditional on the passing of the Fnac Shareholder Resolutions.

The Increased Offer represents a premium of approximately:

- 79 per cent. to the Closing Price of 81 pence per Darty Share on 29 September 2015 (being the last Business Day before the date of Fnac's Possible Offer Announcement);
- 38 per cent. to the value of the Original Offer of approximately 105 pence per Darty Share (based on the Closing Price of €55.6 per Fnac Share on 19 November 2015 (being the last Business Day before the date of the Original Offer Announcement));
- 18 per cent. to the value of the Original Offer of approximately 123 pence per Darty Share (based on the Closing Price of €57.8 per Fnac Share on 20 April 2016 (being the last Business Day before the date of this Announcement));
- 5 per cent. to the value of Conforama Investissement's offer of 138 pence per Darty Share, as set out in the Conforama Offer Announcement; and
- 10 per cent. to the Closing Price of 132 pence per Darty Share on 20 April 2016 (being the last Business Day before the date of this Announcement).

The Increased Offer will also include a Partial Share Alternative, pursuant to which Eligible Darty Shareholders will have the opportunity to elect to receive New Fnac Shares *in lieu* of all or part of the cash which they would otherwise have been entitled to receive pursuant to the terms of the Increased Offer on the following basis (subject to scaling down in accordance with the terms of the Partial Share Alternative):

For every:	125 Darty Shares held,
	4 New Fnac Shares

which values each Darty Share at 145 pence at the Closing Price on 20 April 2016.

If the Fnac Shareholder Resolutions are passed, a maximum aggregate amount of 7,625,566 New Fnac Shares (representing approximately 46 per cent. of Fnac's issued share capital as of the date of this Announcement) will (save as set out in Part D of Appendix 1) be available under the Partial Share Alternative, which will be issued to those Eligible Darty Shareholders that make a valid election under the Partial Share Alternative.

If the Fnac Shareholder Resolutions are not passed, a maximum of 3,300,000 New Fnac Shares (representing approximately 20 per cent. of Fnac's issued share capital as of the date of this Announcement) will (save as set out in Part D of Appendix 1) remain available under the Partial Share Alternative.

If 7,625,566 New Fnac Shares are available under the Partial Share Alternative, then elections for the Partial Share Alternative could be satisfied in full in respect of a maximum aggregate amount of 238,298,947 Darty Shares (representing approximately 45 per cent. of Darty's issued share capital as of the date of this Announcement).

If 3,300,000 New Fnac Shares are available under the Partial Share Alternative, then elections for the Partial Share Alternative could be satisfied in full in respect of a maximum aggregate amount of 103,125,000 Darty Shares (representing approximately 19 per cent. of Darty's issued share capital as of the date of this Announcement).

To the extent that valid elections under the Partial Share Alternative cannot be satisfied in full, they will be scaled down as nearly as reasonably practicable *pro rata* to the number of New Fnac Shares which each Eligible Darty Shareholder's valid election under the Partial Share Alternative bears to the total aggregate number of New Fnac Shares to be issued pursuant to all valid elections made under the Partial Share Alternative, and the balance of the consideration will be satisfied in cash.

The issue of New Fnac Shares to Eligible Darty Shareholders who make a valid election under the Partial Share Alternative would be made, if passed, pursuant to a resolution to be proposed at the next annual general meeting (or other extraordinary general meeting) of Fnac Shareholders delegating authority to the Fnac Directors (with authority to sub-delegate) to allot Fnac Shares, without preferential subscription rights, as consideration for shares received in the context of a public exchange offer, with a maximum aggregate nominal value of no less than €7,625,566 (representing approximately 46 per cent. of Fnac's issued share capital as of the date of this Announcement).

If such resolution is not passed, the issue of New Fnac Shares to Eligible Darty Shareholders who make a valid election under the Partial Share Alternative shall be made pursuant to the eleventh resolution passed at the general meeting of Fnac Shareholders held on 29 May 2015, delegating authority to the Fnac Directors (with authority to sub-delegate) to allot Fnac Shares, without preferential subscription rights, as consideration for shares received in the context of a public exchange offer, with a maximum aggregate nominal amount of €3,300,000 (representing approximately 20 per cent. of Fnac's issued share capital as of the date of this Announcement). The issue of New Fnac Shares to Eligible Darty Shareholders pursuant to the Original Offer would be made, if passed, pursuant to the Fnac Shareholder Resolutions. Further information on the issue of New Fnac Shares will be available in the Offer Document and in the Fnac Prospectus.

Fractions of New Fnac Shares will not be allotted to Darty Shareholders pursuant to the Partial Share Alternative. If an election made by a Darty Shareholder to receive New Fnac Shares pursuant to the Partial Share Alternative would not result in the issue of a whole number of New Fnac Shares to that Darty Shareholder (after any *pro rata* scaling down pursuant to the terms of the Partial Share Alternative), the number of New Fnac Shares to be issued to that Darty Shareholder shall be rounded down to the nearest whole number and the balance of the consideration will be satisfied in cash, provided that if such balance is an amount of less than £5.00, it will be retained for the benefit of Fnac.

[Fnac announced earlier today that it has purchased a total of [●] Darty Shares from Darty Shareholders, credited as fully paid, representing [●] per cent. of Darty's issued share capital as of the date of this Announcement, at a price of [●] pence per Darty Share.]

In addition, Fnac has received support for the Proposed Acquisition from Darty Shareholders holding 16.8 per cent. of the issued share capital of Darty. Such shareholders have irrevocably undertaken to accept the Increased Offer and to elect for the Partial Share Alternative in respect of all (subject to scaling down in accordance with the terms of the Partial Share Alternative) of their Darty Shares.

Accordingly, Fnac either holds, or has received irrevocable undertakings to accept the Offer in respect of a total of 89,032,789 Darty Shares, representing approximately [●] per cent. of the issued share capital of Darty.

The Original Offer will also remain available for acceptance.

Darty Shares which will be acquired under the Proposed Acquisition will be acquired fully paid and free from all liens, equities, charges, encumbrances, options, rights of pre-emption and any other third party rights and interests of any nature and together with all rights now or hereafter attaching or accruing to them, including voting rights and the right to receive and retain in full all dividends and other distributions (if any) declared, made or paid on or after the Effective Date.

The Fnac Board believes that the Proposed Acquisition will result in compelling financial benefits to the Combined Group, including total annual pre-tax synergies of at least €130 million *per annum*. This amount does not take into account the impact of any remedies that may be imposed by the French Competition Authority.

The New Fnac Shares will be issued credited as fully paid and will rank *pari passu* in all respects with the Fnac Shares in issue at the time the New Fnac Shares are issued pursuant to the terms of the Proposed Acquisition, including the right to receive and retain dividends and other distributions declared, made or paid by reference to a record date falling after the Effective Date. Application will be made to Euronext Paris for the New Fnac Shares to be admitted to trading on Euronext Paris.

3. BACKGROUND TO AND REASONS FOR THE PROPOSED ACQUISITION

The consumer electronics retail landscape has evolved significantly over recent years. Since the early 2000s, it has been materially reshaped by the rise of e-commerce resulting in an increased competitive environment and the disappearance of some leading retail operators, such as, *RadioShack*, *Circuit City*, *Comet* and *Surcouf*. In particular, the market has witnessed the arrival of new online competitors who display a high level of commercial aggressiveness. In this context, consolidation has recently been initiated by traditional retailers to achieve the necessary scale to remain competitive in the sector (e.g., *Dixons/Carphone*, *Darty/Mistergooddeal*, *Carrefour/Rue du Commerce*, *Ldlc/materiel.net*).

In addition to the key headline benefits of the Proposed Acquisition detailed below, the Fnac Board sees the Proposed Acquisition as a means by which Fnac and Darty can proactively address the impact of changing market environments on their respective businesses, positioning the Combined Group as a larger and more diversified business. The Fnac Board considers that the combination of Fnac and Darty would create a compelling retail offering for its customers, and that the Combined Group would be well-positioned to create value for shareholders.

The Proposed Acquisition would notably provide the following benefits to the Combined Group:

i. A leader in its key product categories

The Proposed Acquisition would combine French sales of approximately €2.8 billion for Fnac (for the financial year ended 31 December 2015) and €2.8 billion for Darty (for the financial year ended 30 April 2015), creating a leader in the distribution of electronic and editorial goods in France. With overall combined sales of €7.4 billion, the Combined Group would also be a sizeable European player, well within the top 10 players in consumer electronics retailing, alongside players such as *Metro*, *Dixons/Carphone*, *Amazon* and *Expert*.

ii. A combination of two iconic French brands benefiting customers

The Combined Group would bring together two highly recognised and well-respected brands which benefit from strong levels of customer awareness.

Together, and through the sharing of respective know-how, the Combined Group would be expected to continue to deliver a high quality value proposition to its customers as well as an attractive distribution network for its suppliers. In particular, the Combined Group would benefit from:

- recognised positioning in terms of expertise (particularly cultural expertise);
- knowledgeable and enthusiastic sales staff;
- independence (unbiased advice);
- creativity (encouraging access to culture and innovation); and
- a value-added service and aftersales offering (for example, through Darty's "*Contrat de Confiance*").

iii. A more diversified and balanced product offering

The Proposed Acquisition would present a more balanced offering, with product categories that present complementary growth and margin profiles. In particular, the Combined Group will combine Fnac's and Darty's presence in brown and grey goods; a sector where growth is underpinned by short innovation cycles. It will also benefit from Fnac's strength in editorial goods and from Darty's leadership in the French white goods market. Margin accretive sales of services and accessories will complete the Combined Group's offering.

The Combined Group would also be expected to serve as a platform for the further development of new product categories as already initiated by both Fnac and Darty. Fnac has expanded its offering to include Games & Toys, Home & Design, Stationery, Smartphones and Connected Devices, which represent 15 per cent. of its annual sales. Equally, Darty has rolled-out its "kitchen offer" in France, where 32 different kitchen models are offered across 71 stores. We also expect the Proposed Acquisition to drive the Combined Group's sales of services and accessories.

iv. An enhanced omni-channel proposal addressing evolving customer expectations

Customers are increasingly expecting omni-channel, innovative services (e.g., click & collect and same-day delivery).

The Proposed Acquisition would combine strong existing omni-channel capabilities at both Fnac and Darty, including their existing three-hour delivery offering and through dedicated services such as *Click&Mag*, *Click&Collect*, *Connected Store* and Darty's *Le Bouton* (which aims to put customers in contact with after-sales services within two minutes), ensuring a seamless shopping experience between offline and online. The Combined Group would also benefit from Fnac's high traffic website (the #3 e-commerce site in France with 8 million monthly unique visitors), 40 per cent. of which relates to mobile commerce, and the online presence of Darty's physical brands (*Darty*, *Vanden Borre* and *BCC*), as well as Darty's online pure-player, *Mistergooddeal*.

v. Improved scale and reach

The Combined Group would also benefit from an enhanced store presence, across multiple formats (including those based in prime locations in a variety of cities, shopping malls and retail parks outside large cities, together with sites at railway stations and airports), adapted to the density and traffic of each catchment area. The Combined Group would also benefit from broader international exposure, with an enhanced European footprint and a presence spanning 10 countries. In particular, the Combined Group would benefit from Fnac's and Darty's complementary presence in France and Belgium as well as from an attractive local presence of Fnac in Iberia and Brazil and Darty in the Netherlands.

4. SYNERGY POTENTIAL OF THE PROPOSED ACQUISITION

The Fnac Board believes that the Proposed Acquisition will result in compelling financial benefits to the Combined Group, including total pre-tax synergies of at least €130 million *per annum*. This amount is premised upon Fnac's intention to maintain separate Fnac and Darty brands and commercial concepts following the completion of the Proposed Acquisition. It does not take into account the impact of any remedies that may be imposed by the French Competition Authority.

It is assumed the Proposed Acquisition will complete by no later than September 2016. Under this assumption, approximately 5 per cent. of the synergies would be realised in 2016, rising to at least 50 per cent. in 2017, 90 per cent. in 2018 and 100 per cent. thereafter.

The one-off costs to deliver these savings, including additional capital expenditures, are expected to total approximately €105 million -110 million.

The aggregate annual amount of synergies of at least €130 million referred to above is expected to be split as follows:

- approximately half of the identified synergies are expected to arise from (i) purchasing synergies in the retail categories of brown goods, grey goods and small domestic appliances in which both Fnac and Darty operate, as well as (ii) revenue synergies derived from cross-selling of editorial products and white goods (in particular through store-in-store initiatives), extending Fnac's ticketing offer within Darty stores in France and Belgium and leveraging on both group's respective omni-channel capabilities to drive sales growth; and
- approximately half of the identified synergies are expected to arise from other cost synergies, including optimisation of warehousing and transport activities, integration of IT systems, of certain headquarter and support functions within the UK, France and Belgium, and from savings in procured services.

The statements above of estimated synergies relate to future actions and circumstances which inherently involve risks, uncertainties and contingencies. Accordingly, the synergies referred to may not be achieved within the time periods specified or may be achieved in a different form to that which is currently envisaged by the Fnac Board. Appendix 5 includes reports in connection with the Quantified Financial Benefits Statement from Ernst & Young and Rothschild, pursuant to the requirements of the City Code. Ernst & Young and Rothschild have given and not withdrawn their consent to the publication of their respective reports in the form and context in which they are included. These statements are not intended to be a profit forecast and should not be interpreted as such.

5. CONDITIONS

This Proposed Acquisition is subject to the Conditions set out in Appendix 1.

The Original Offer was subject to the satisfaction (or waiver) of pre-conditions requiring the receipt of anti-trust clearance in both France and Belgium, or alternatively, by the European Commission. On 17 March 2016, the Belgian Competition Authority unconditionally authorised the combination of Fnac and *Vanden Borre* without the imposition of any remedies, considering that it would not affect competition in Belgium, satisfying the pre-condition relating to Belgian anti-trust clearance.

On 23 March 2016, the French Competition Authority opened Phase II proceedings with a view to investigating a potential redefinition of the market for retail distribution of electronic products, in which Fnac and Darty are both active, to take account of online sales; it is expected that clearance will be received by the end of July 2016. Fnac has waived the pre-condition relating to the obtaining of approval from the French Competition Authority, which remains as a Condition to the Proposed Acquisition. The circumstances in which Fnac may invoke such Condition include where the French Competition Authority seeks to impose remedies, the effect of which, in Fnac's view, would be of material significance for Fnac and/or the Combined Group in the context of the Proposed Acquisition. The invoking of such Condition would be subject to Panel consent.

In addition to the Condition relating to the receipt of anti-trust clearance from the French Competition Authority, the Proposed Acquisition is conditional, among other things, on receipt of valid acceptances in respect of Darty Shares which, together with any Darty Shares that Fnac has acquired (or agreed to acquire), carry in aggregate more than 50 per cent. of the voting rights then normally exercisable at a general meeting of Darty, and (in respect of the Original Offer and, to the extent required, the Partial Share Alternative) the approval of the Fnac Shareholder Resolutions at a Fnac General Meeting.

The Proposed Acquisition is also conditional on the receipt (or satisfaction, as the case may be) of certain other regulatory conditions and third party consents relating to the operations of the Darty Group and its business and receipt of a confirmation that the application for the admission of the New Fnac Shares to trading on Euronext Paris has been approved, with such admission to become effective on or shortly after the date of issue.

6. STRUCTURE OF THE PROPOSED ACQUISITION

It is intended that the Proposed Acquisition will be implemented by way of a takeover offer within the meaning of Part 28 of the Act. Further details of the Increased Offer will be set out in the Offer Document and the accompanying Forms of Acceptance, including the expected timetable and the action to be taken by Darty Shareholders.

7. INFORMATION RELATING TO DARTY

Darty is a leading multi-channel service-led electrical retailer operating from over 400 stores in three European countries, with a focus on white goods as well as brown and grey. Darty is also the number two electrical retailer in Belgium and the leading multi-channel retailer in the Netherlands via recognised local brands (*Vanden Borre* and *BCC* respectively).

Darty generated an annual turnover of over €3.5 billion in 2014/15 through the operations of Darty and *Mistergooddeal* in France, *Vanden Borre* in Belgium and *BCC* in the Netherlands.

Its ordinary shares are listed with the UK Listing Authority and trade on the market for listed securities on the London Stock Exchange under the symbol DRTY.L. It is also listed on the Euronext Paris.

8. INFORMATION RELATING TO FNAC

Fnac is a leading French retail distributor of entertainment and leisure products (including consumer electronics) and a notable player in several other countries in which it operates (e.g. Spain and Portugal), and also has a number of stores across Brazil, Belgium, Switzerland and Morocco.

Fnac offers a wide range of cultural products and consumer electronics, as well as a broad service offering, and ticketing and box office services. Fnac benefits from a large customer base with a core platform of 6.2 million loyalty customers, accounting for more than 60 per cent. of its revenues.

As of 31 December 2015, Fnac's omni-format network included a total of 199 stores (121 of which were located in France). The group's network also includes e-commerce websites, including Fnac.com, the third largest French e-commerce website based on average unique visitors (approximately 8 million unique visitors per month). An established omni-channel player, Fnac's consolidated revenues totaled €3.9 billion in 2015 and it had more than 14,000 employees.

9. INTENTIONS OF FNAC WITH REGARD TO DARTY'S BUSINESS, EMPLOYEES, AND THE DARTY PENSION SCHEME

The Fnac Board believes that the combination of Fnac and Darty will create a market leader in the French electronics, editorial and home appliances retail market and create a Combined Group with an enhanced European footprint.

The Fnac Board intends to combine the assets and the talents of both Fnac and Darty, recognising that the employees of both Fnac and Darty can add value to the Combined Group at all levels. The Fnac Board also recognises that there is value in keeping certain aspects of Fnac's and Darty's businesses separate; it is intended that Darty's and Fnac's respective brands and commercial concepts will continue to be separate after completion of the Proposed Acquisition.

In order to optimise the potential benefits of the Proposed Acquisition, Fnac intends to conduct a detailed operational review following the completion of the Proposed Acquisition.

Fnac does not intend the Proposed Acquisition to have an impact on the level of Darty's contributions (namely, deficit recovery contributions) currently payable to the Darty Pension Scheme prior to completion of its next triennial valuation process (to be concluded within 15 months of 31 March 2016), after which a new deficit recovery plan will be agreed with the trustees of the Darty Pension Scheme, or on the benefits previously accrued and payable under that scheme. The Darty Pension Scheme is already closed to new members and to future accrual of benefits. In addition, Fnac does not intend the Proposed Acquisition to impact any of the other arrangements in place between Darty and the Darty Pension Scheme, and in particular, Fnac will provide an additional guarantee from an appropriate entity on terms no less favourable than the terms of the current Darty Pension Scheme guarantee and put in place information sharing arrangements on similar terms to Darty's current arrangements.

10. FINANCING ARRANGEMENTS IN CONNECTION WITH THE PROPOSED ACQUISITION

Fnac intends to finance the cash consideration payable to Darty Shareholders pursuant to the terms of the Proposed Acquisition with third party debt.

Fnac has entered into a senior facilities agreement, comprising both a revolving credit facility and a bridge term loan facility, with Crédit Agricole, Société Générale and Natixis in connection with the

financing of the cash component of the consideration to be offered pursuant to the Proposed Acquisition. The terms of the senior facilities agreement will also allow Fnac and Darty to refinance their respective existing indebtedness and will provide on-going working capital for the Combined Group following completion of the Proposed Acquisition.

It is intended that the new revolving credit facility will be used for general corporate purposes, including the refinancing of the existing revolving credit facilities of each of Fnac and Darty respectively. The new revolving credit facility shall not be applied towards the financing of the cash component of the consideration to be offered pursuant to the Proposed Acquisition.

It is intended that the bridge term loan facility will be used to finance the cash component of the consideration to be offered pursuant to the Proposed Acquisition. It may also be applied towards refinancing the €250 million of 5.875 per cent. senior notes due 2021, issued by *Darty Financements S.A.S.* (an affiliate of Darty) on 28 February 2014.

Rothschild, as financial adviser to Fnac, is satisfied that resources are available to Fnac sufficient to satisfy full acceptance of the Proposed Acquisition.

The documentation entered into in connection with the financing of the cash component of the consideration to be offered pursuant to the Proposed Acquisition, and the Combined Group following completion of the Proposed Acquisition, will be made available on the Fnac website at www.groupe-fnac.com. Summaries will also be set out in the Offer Document and the Fnac Prospectus in due course.

The terms of the agreed financing package include market flex terms, which are set out in a separate side letter, and which will not be published on Fnac's website following the release of this Announcement. To the extent that any syndication has not been successfully carried out by the time the Offer Document (or Scheme Document, as the case may be) is published, then the market flex terms will be described in that document and the market flex letter will be made available on the Fnac website.

The agreed financing package described in this [section 10](#) replaces the various finance documents, including the senior facilities agreement and various fee and other letters, entered into in connection with the Original Offer by Fnac on or around the date of the Original Offer Announcement, which have each been terminated.

11. PROPOSED ACQUISITION-RELATED ARRANGEMENTS

Confidentiality Agreement

Fnac and Darty have entered into a Confidentiality Agreement pursuant to which each of Fnac and Darty has undertaken, among other things, to keep certain information relating to a possible combination of Fnac and Darty, and certain information pertaining to the other party confidential and not to disclose it to third parties (other than to certain permitted parties), unless required by applicable law or regulation. These confidentiality obligations will remain in force until the earlier of (i) completion of the Proposed Acquisition; and (ii) 16 November 2018. A copy of the Confidentiality Agreement is available on Fnac's website at www.groupe-fnac.com.

Clean Team Agreement

Fnac and Darty also entered into a clean team agreement, which is supplementary to the Confidentiality Agreement, pursuant to which they each agreed further terms in respect of the sharing of competitively sensitive information for the purposes of the anti-trust analysis to be conducted in connection with the

Proposed Acquisition. The clean team agreement incorporates certain provisions of the Confidentiality Agreement, including as to the ownership and destruction of confidential information, and termination. A copy of the clean team agreement is available on Fnac's website at www.groupe-fnac.com.

Co-operation Agreement

Fnac entered into a Co-operation Agreement with Darty on the date of the Original Offer Announcement, a copy of which is available on Fnac's website at www.groupe-fnac.com. Fnac has, on the date of this Announcement, given written notice to terminate the Co-operation Agreement with immediate effect (the "Co-operation Agreement Termination Notice").

12. DIVIDENDS

Under the terms of the Proposed Acquisition, relevant Darty Shareholders are entitled to receive and retain future dividends in the ordinary course prior to the Effective Date.

If any dividend (or other distribution) is paid or becomes payable by Darty to Darty Shareholders, Fnac reserves the right to make an equivalent reduction to the offer consideration payable pursuant to the Increased Offer.

13. FNAC PROSPECTUS

Fnac will be required to produce the Fnac Prospectus in connection with the issue of the New Fnac Shares. The Fnac Prospectus will contain information relating to the Fnac Group, the Darty Group, the Combined Group and the New Fnac Shares and will summarise the background to and the reasons for the Proposed Acquisition. It is expected that the Fnac Prospectus will be posted to Darty Shareholders at the same time as the Offer Document and the accompanying Forms of Acceptance.

14. ADMISSION OF NEW FNAC SHARES

The Proposed Acquisition is conditional on Fnac receiving a confirmation that the application for the admission to trading of the New Fnac Shares on Euronext Paris has been approved. This Condition is set out in sub-paragraph (h) of Part A of Appendix 1 to this Announcement and cannot be waived.

15. CANCELLATION OF ADMISSION OF DARTY SHARES, COMPULSORY ACQUISITION OF DARTY SHARES AND RE-REGISTRATION OF DARTY

If Fnac receives acceptances under the Proposed Acquisition in respect of, and/or otherwise acquires, both 90 per cent. or more in value of the Darty Shares to which the Proposed Acquisition relates and 90 per cent. or more of the voting rights carried by those shares, and assuming that all of the other Conditions of the Proposed Acquisition have been satisfied or waived (if capable of being waived), Fnac intends to exercise its rights in accordance with sections 974 to 991 of the Act to acquire compulsorily the remaining Darty Shares on the same terms as the Proposed Acquisition.

Following the Proposed Acquisition becoming or being declared unconditional in all respects, if Fnac receives acceptances under the Proposed Acquisition in respect of, and/or otherwise acquires 75 per cent. or more of the voting rights carried by the Darty Shares or the appropriate special resolutions are otherwise passed, and subject to any applicable requirements of the UKLA, it is intended that Fnac will procure that Darty makes applications to cancel the listing of Darty Shares on the UKLA's Official List and on the Eurolist by Euronext, to cancel trading in Darty Shares on the London Stock Exchange's Main Market for listed securities and on Euronext Paris and to re-register Darty as a private limited company.

Delisting of the Darty Shares and the re-registration of Darty as a private limited company would significantly reduce the liquidity and marketability of any Darty Shares in respect of which the Proposed Acquisition has not been accepted at that time. Any remaining Darty Shareholders would become minority shareholders in a majority controlled private limited company and may therefore be unable to sell their Darty Shares. There can be no certainty that Darty would pay any further dividends or other distributions or that such minority Darty Shareholders would again be offered an opportunity to sell their Darty Shares on terms which are equivalent to or no less advantageous than those under the Proposed Acquisition.

16. IRREVOCABLE UNDERTAKINGS

[Fnac has received shareholder support for the Proposed Acquisition from Darty Shareholders holding in aggregate [●] per cent. of the issued share capital of Darty.

Knight Vinke, the holder of 75,974,709 Darty Shares (equating to 14.34 per cent. of the issued share capital of Darty at the close of business on [20 April 2016], being the last Business Day prior to the date of this Announcement), has provided Fnac with an irrevocable undertaking to support the Proposed Acquisition (the "Knight Vinke Undertaking"). Knight Vinke holds such Darty Shares as an investment manager on behalf of certain underlying investors.

Pursuant to the terms of the Knight Vinke Undertaking, Knight Vinke has irrevocably undertaken to accept the Increased Offer, or, in the event the Proposed Acquisition is effected by way of the Scheme, to vote in favour of the Scheme. It has also irrevocably undertaken, subject to the terms summarised below, not to support or accept an offer with respect to a competing transaction and that it will not deal in Darty Shares (unless the Panel has otherwise determined that Knight Vinke is not acting in concert with Fnac). Knight Vinke has also irrevocably undertaken to elect to receive New Fnac Shares pursuant to the Partial Share Alternative, and not cash, to the fullest extent possible in consideration for the Darty Shares it holds. The Knight Vinke Undertaking will automatically terminate if (i) the Increased Offer does not become or is not declared wholly unconditional, or lapses in accordance with its terms (or, if applicable, the Scheme does not become effective, or lapses in accordance with its terms); or (ii) Fnac announces, with consent of the Panel, that it does not intend to proceed with the Proposed Acquisition.

The Knight Vinke Undertaking supersedes and replaces in its entirety the deed of irrevocable undertaking executed and delivered by Knight Vinke on 6 November 2015, which shall be of no further force or effect.

Fnac has also received an irrevocable undertaking from DNCA, the holder of 50,933,000 Darty Shares (equating to 9.62 per cent. of the issued share capital of Darty at the close of business on [20 April 2016], being the last Business Day prior to the date of this Announcement) to support the Proposed Acquisition (the "DNCA Undertaking"). Pursuant to the terms of the DNCA Undertaking, DNCA has irrevocably undertaken to accept the Increased Offer, or, in the event the Proposed Acquisition is effected by way of the Scheme, to vote in favour of the Scheme. It has also irrevocably undertaken, subject to the terms summarised below, not to support or accept an offer with respect to a competing transaction and that it will not deal in Darty Shares (unless the Panel has otherwise determined that DNCA is not acting in concert with Fnac). DNCA has also irrevocably undertaken to elect to receive New Fnac Shares pursuant to the Partial Share Alternative, and not cash, to the fullest extent possible in consideration for the Darty Shares it holds. The DNCA Undertaking will automatically terminate if (i) the Increased Offer does not become or is not declared wholly unconditional, or lapses in accordance with its terms (or, if applicable, the Scheme does not become effective, or lapses in accordance with its terms); or (ii) Fnac announces, with consent of the Panel, that it does not intend to proceed with the Proposed Acquisition.

The DNCA Undertaking supersedes and replaces in its entirety the letter of intent signed by DNCA on 6 November 2015, which shall be of no further force or effect.

Copies of the Knight Vinke Undertaking and the DNCA Undertaking will be made available on the Fnac website at www.groupe-fnac.com.]

17. DISCLOSURE OF INTERESTS IN RELEVANT SECURITIES

Fnac confirms that it made an Opening Position Disclosure, setting out the details required to be disclosed by it under Rule 8.1(a) of the City Code, on 14 October 2015.

As of the close of business on 20 April 2016 (being the last Business Day prior to the publication of this Announcement)[, save as set out in Appendix 4], none of Fnac nor, so far as Fnac is aware, any person acting in concert (within the meaning of the City Code) with Fnac (including the Fnac Directors) has:

- any interest in, or right to subscribe for, any Darty Shares or other relevant securities relating to Darty, nor does any such person have any short position in Darty Shares or other relevant securities relating to Darty, including any short position under a derivative, any agreement to sell, any delivery obligation or right to require another person to purchase or take delivery of Darty Shares or other relevant securities relating to Darty; or
- borrowed or lent any Darty Shares or other relevant securities relating to Darty, nor entered into any financial collateral arrangements relating to Darty Shares or other relevant securities relating to Darty.

18. RESTRICTED JURISDICTIONS

The availability of the Proposed Acquisition, and the distribution of this Announcement to persons who are not resident in the United Kingdom or France, may be affected by the laws of the relevant jurisdiction in which they are located. Such persons should inform themselves of and observe any applicable legal or regulatory requirements of their jurisdiction. Darty Shareholders who are in doubt about such matters should consult an appropriate independent professional adviser in the relevant jurisdiction without delay.

This Announcement does not constitute an offer for sale of any securities or an offer or an invitation to purchase any securities. Darty Shareholders are advised to read carefully the Offer Document, the accompanying Forms of Acceptance and the Fnac Prospectus, once these have been published and dispatched.

20. GENERAL

It is intended that the Proposed Acquisition will be implemented by way of a takeover offer within the meaning of Part 28 of the Act. However, Fnac reserves the right to elect, with the agreement of Darty and with the consent of the Panel (where necessary), to implement the Proposed Acquisition by way of a Court-sanctioned scheme of arrangement in accordance with Part 26 of the Act.

In such event, the Scheme will be implemented on the same terms subject to appropriate amendments, and subject in particular to the amendment referred to in Part C of Appendix 1 to this Announcement.

The full terms of the Proposed Acquisition will be set out in the Offer Document and the Forms of Acceptance. Relevant documentation (including the Fnac Prospectus) is expected to be sent to Darty Shareholders (other than to certain Darty Shareholders who are ordinarily resident in, or citizens of, a Restricted Jurisdiction) and, for information purposes, to persons with information rights and to participants in the Darty Share Plan within 28 days of the date of this Announcement. In deciding whether or not to accept the Proposed Acquisition in respect of their Darty Shares, Darty Shareholders should consider the information contained in, and the procedures described in, such documentation.

Any decision in respect of, or other response to, the Proposed Acquisition should be made only on the basis of the information contained in the Offer Document, the accompanying Forms of Acceptance and the Fnac Prospectus.

Fnac reserves the right to elect, with the agreement of Darty and the consent of the Panel (where necessary), to implement the Proposed Acquisition by way of a Court-sanctioned scheme of arrangement in accordance with Part 26 of the Act. In such event, the Proposed Acquisition would be implemented on substantially the same terms, subject to appropriate amendments.

Information relating to Darty Shareholders

Please be aware that addresses, electronic addresses and certain other information provided by Darty Shareholders, persons with information rights and other relevant persons for the receipt of communications from Darty may be provided to Fnac during the Offer Period as required under Section 4 of Appendix 4 of the City Code.

Overseas jurisdictions

The release, publication or distribution of this Announcement in jurisdictions other than the United Kingdom and France may be restricted by law and therefore any persons who are subject to the laws of any jurisdiction other than the United Kingdom and France should inform themselves about, and observe any applicable requirements. In particular, the ability of persons who are not resident in the United Kingdom or France to accept the Proposed Acquisition, to execute and deliver Forms of Acceptance, or to elect for the Partial Share Alternative, may be affected by the laws of the relevant jurisdictions in which they are located.

This Announcement has been prepared for the purpose of complying with English law, French law and the City Code and the information disclosed may not be the same as that which would have been disclosed if this Announcement had been prepared in accordance with the laws of jurisdictions outside the United Kingdom and/or France.

Unless otherwise determined by Fnac or required by the City Code, and permitted by applicable law and regulation, the Proposed Acquisition will not be made available, directly or indirectly, in, into or from a Restricted Jurisdiction or any other jurisdiction where to do so would violate the laws in that jurisdiction and no person may accept the Proposed Acquisition by any use, means or instrumentality from within a Restricted Jurisdiction or any other jurisdiction where to do so would constitute a violation of the laws of that jurisdiction. Accordingly, copies of this Announcement and any formal documentation relating to the Proposed Acquisition are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in or into or from any Restricted Jurisdiction or any other jurisdiction where to do so would constitute a violation of the laws of that jurisdiction and persons receiving such documents (including custodians, nominees and trustees) must not mail or otherwise forward, distribute or send them in or into or from any Restricted Jurisdiction or any other jurisdiction where to do so would constitute a violation of the laws of that jurisdiction.

The Proposed Acquisition may not be made, directly or indirectly, in or into, a Restricted Jurisdiction or any other jurisdiction where to do so would constitute a violation of the laws of that jurisdiction by the use of mails or any means or instrumentality (including, but not limited to, facsimile, e-mail or other

electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of any Restricted Jurisdiction or any other jurisdiction where to do so would constitute a violation of the laws of that jurisdiction and the Proposed Acquisition may not be capable of acceptance by any such use, means, instrumentality or facilities.

The availability of the Proposed Acquisition to Darty Shareholders who are not resident in the United Kingdom or France may be affected by the laws of the relevant jurisdictions in which they are resident. Persons who are not resident in the United Kingdom or France should inform themselves of, and observe, any applicable legal or regulatory requirements.

Further details in relation to Darty Shareholders in overseas jurisdictions will be contained in the Offer Document.

Additional US information

The Proposed Acquisition relates to the shares of a UK company and a French company and is subject to UK and French procedural and disclosure requirements that are different from those of the US. Any financial statements or other financial information included in this Announcement may have been prepared in accordance with non-US accounting standards that may not be comparable to the financial statements of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US. It may be difficult for US holders of shares to enforce their rights and any claims they may have arising under the US federal securities laws in connection with the Proposed Acquisition, since Fnac and Darty are located in countries other than the US, and some or all of their officers and directors may be residents of countries other than the United States. US holders of shares in Fnac or Darty may not be able to sue Fnac, Darty or their respective officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel Fnac, Darty and their respective affiliates to subject themselves to the jurisdiction or judgment of a US court.

It is intended that the Proposed Acquisition will be implemented by way of a takeover offer under English law. Accordingly, the Proposed Acquisition will be made in the US pursuant to Section 14(e) and Regulation 14E under the US Exchange Act as a "Tier II" tender offer, and otherwise in accordance with the requirements of the City Code. Accordingly, the Proposed Acquisition will be subject to disclosure and other procedural requirements, including with respect to withdrawal rights, offer timetable, settlement procedures and timing of payments that are different from those applicable under US domestic tender offer procedures and law. A person who makes a valid election to receive, and does in fact receive, New Fnac Shares pursuant to the Partial Share Alternative or the Original Offer may not resell such securities without registration under the US Securities Act or without an applicable exemption from registration or in a transaction not subject to registration (including a transaction that satisfies the applicable requirements of Regulation S under the US Securities Act).

Alternatively, the Proposed Acquisition may be implemented by way of a scheme of arrangement under English law which is not subject to the tender offer rules under the US Exchange Act, in which case the Proposed Acquisition would be subject to the disclosure requirements and practices applicable in the UK to schemes of arrangement which differ from the disclosure requirements of the US tender offer rules. If the Proposed Acquisition is implemented by way of a scheme of arrangement, the New Fnac Shares would be expected to be issued in reliance upon the exemption from the registration requirements of the US Securities Act provided by Section 3(a)(10) of the US Securities Act. Section 3(a)(10) exempts securities issued in exchange for one or more outstanding securities from the general requirements of registration where the terms and conditions of the issuance and exchange of such securities have been approved by a court, after a hearing on the fairness of the terms and conditions of the issuance and exchange at which all persons to whom such securities will be issued have the right to appear and be

heard. The Court would hold a hearing on the Scheme's fairness to Darty Shareholders, at which hearing all such shareholders would be entitled to attend in person or through counsel. If the Proposed Acquisition is implemented by way of the Scheme, a person who makes a valid election to receive, and does in fact receive, New Fnac Shares pursuant to the Partial Share Alternative or the Original Offer and who is an affiliate of Fnac may not resell such securities without registration under the US Securities Act or pursuant to the applicable resale provisions of Rule 144 under the US Securities Act or another applicable exemption from registration or in a transaction not subject to registration (including a transaction that satisfies the applicable requirements of Regulation S under the US Securities Act). Whether a person is an affiliate of a company for the purposes of the US Securities Act depends on the circumstances but affiliates can include certain officers, directors and significant shareholders. Persons who believe that they may be affiliates of Fnac should consult their own legal advisers prior to any sale of securities received pursuant to the Scheme.

Investors should be aware that Fnac may purchase or arrange to purchase Darty Shares otherwise than under any takeover offer or scheme of arrangement related to the Proposed Acquisition, such as in open market or privately negotiated purchases.

This Announcement does not constitute an offer of securities for sale in the US or an offer to acquire or exchange securities in the US. Securities may not be offered or sold in the US absent registration or an exemption from registration, and any public offering of securities to be made in the United States will be made by means of a prospectus that may be obtained from the issuer or the selling security holder and that will contain detailed information about the company and management, as well as financial statements. No offer to acquire securities or to exchange securities for other securities has been made, or will be made, directly or indirectly, in or into, or by use of the mails, any means or instrumentality of interstate or foreign commerce or any facilities of a national securities exchange of, the US or any other country in which such offer may not be made other than (i) in accordance with the US Securities Act, as amended, or the securities laws of such other country, as the case may be, or (ii) pursuant to an available exemption from such requirements. In particular, New Fnac Shares will only be made available in the United States to qualified institutional buyers (as defined in Rule 144A under the US Securities Act) or accredited investors (as defined in Rule 501(a) under the US Securities Act) in transactions that are exempt from the registration requirements of the US Securities Act. Such shareholders will be required to make such acknowledgements and representations to, and agreements with, Fnac as Fnac may require to establish that they are entitled to receive New Fnac Shares.

Nothing in this Announcement shall be deemed an acknowledgement that any SEC filing is required or that an offer requiring registration under the US Securities Act may ever occur in connection with the Proposed Acquisition.

The New Fnac Shares have not been, and will not be, registered under the securities laws of any state or jurisdiction in the United States and, accordingly, will only be issued to the extent that exemptions from the registration or qualification requirements of state "blue sky" securities laws are available or such registration or qualification requirements have been complied with.

Rounding

Certain figures included in this Announcement have been subjected to rounding adjustments. Accordingly, figures shown for the same category presented in different tables or forms may vary slightly and figures shown as totals in certain tables or forms may not be an arithmetic aggregation of the figures that precede them.

No forecasts or estimates

No statement in this Announcement (including any statement of estimated synergies) is intended as a profit forecast or estimate for any period and no statement in this Announcement should be interpreted to mean that cash flow from operations, free cash flow, earnings or earnings per share for Fnac, Darty or the Combined Group, as appropriate, for the current or future financial years would necessarily match or exceed the historical published cash flow from operations, free cash flow, earnings or earnings per share for Fnac or Darty as appropriate.

Quantified financial benefits

The statements in the Quantified Financial Benefits Statement set out in Appendix 5 to this Announcement relate to future actions and circumstances which, by their nature, involve risks, uncertainties and contingencies. The synergies and cost savings referred to may not be achieved, may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated.

Disclosure requirements of the City Code

Under Rule 8.3(a) of the City Code, any person who is interested (directly or indirectly) in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London time) on the 10th Business Day following the commencement of the offer period and, if appropriate, by no later than 3.30 p.m. (London time) on the 10th Business Day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to midnight on the day before the deadline for making an Opening Position Disclosure must instead make a dealing disclosure.

Under Rule 8.3(b) of the City Code, any person who is, or becomes, interested (directly or indirectly) in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a dealing disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A dealing disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8 and have not changed. A dealing disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and dealing disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4 of the City Code).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and dealing disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a dealing disclosure.

Part A

Conditions to the Proposed Acquisition

The Proposed Acquisition will comply with the City Code and all applicable rules and regulations of the London Stock Exchange, the FCA, Euronext Paris and the AMF, will be governed by and construed in accordance with English law and will be subject to the jurisdiction of the courts of England and Wales. The Proposed Acquisition will be conditional upon becoming wholly unconditional by no later than the Long Stop Date, or such later date (if any) as Fnac and Darty may agree and the Panel may allow.

The Proposed Acquisition will be conditional upon:

Acceptance Condition

- (a) valid acceptances having been received (and not, where permitted, withdrawn) by 3.00 p.m. on the first closing date of the Proposed Acquisition as specified in the Offer Document (or such later times and/or dates as Fnac may, subject to the rules of the City Code, decide) in respect of Darty Shares, which together with Darty Shares that Fnac has acquired or agreed to acquire (whether pursuant to the Proposed Acquisition or otherwise), carry in aggregate more than 50 per cent. of the voting rights then normally exercisable at a general meeting of Darty, including, for this purpose, (except to the extent otherwise agreed by the Panel) any such voting rights attaching to Darty Shares that are unconditionally allotted or issued before the Proposed Acquisition becomes or is declared unconditional as to acceptances whether pursuant to the exercise of any outstanding subscription or conversion rights or otherwise.

For the purposes of this Condition (a):

- i. - ii. valid acceptances shall be deemed to have been received in respect of Darty Shares which are treated for the purposes of Part 28 of the Act as having been acquired or contracted to be acquired by Fnac, whether by virtue of acceptance of the Proposed Acquisition or otherwise.

Part B

Waiver and Invocation of the Conditions

Fnac reserves the right to waive, in whole or in part, all or any of the Conditions set out in Part A of Appendix 1 above, except for Conditions (a) (Acceptance Condition), (f) (Approval of the Fnac Prospectus), (g) (Fnac Shareholder approval) and (h) (Admission to trading of New Fnac Shares), which cannot be waived. The Proposed Acquisition will be subject to the satisfaction (or waiver, if permitted) of the Conditions set out in this Appendix 1, and to certain further terms set out in Appendix 1, and to the

full terms and conditions which will be set out in the Offer Document and the accompanying Forms of Acceptance.

The Proposed Acquisition shall lapse unless all of the Conditions have been fulfilled or, where permitted, waived or, where appropriate, have been determined by Fnac to be or remain satisfied, by midnight (London time) on the 21st day after the later of (i) the first closing date of the Proposed Acquisition; and (ii) the date on which Condition (a) (Acceptance Condition), is fulfilled (or, in each case, such later date as Fnac may determine, in accordance with the City Code). Unless Fnac otherwise determines, Condition (a) (Acceptance Condition) shall be capable of being satisfied or being treated as satisfied only at the time when all of the other Conditions (b) to (n) (inclusive) have been either satisfied, fulfilled or, to the extent permitted, waived.

Fnac shall be under no obligation to waive (if capable of waiver), to determine to be or remain satisfied or to treat as satisfied any of Conditions (b) to (e) (inclusive) and (i) to (n) (inclusive) that are capable of waiver by a date earlier than the latest date specified above for the fulfilment of the relevant Condition, notwithstanding that the other Conditions to the Proposed Acquisition may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any such Condition(s) may not be capable of fulfilment.

If Fnac is required by the Panel to make an offer for Darty Shares under the provisions of Rule 9 of the City Code, Fnac may make such alterations to the Conditions as are necessary to comply with the provisions of that Rule.

Part C

Implementation by way of Scheme

Fnac reserves the right, with the agreement of Darty and with the consent of the Panel (where necessary), to elect to implement the Proposed Acquisition by way of the Scheme.

If the Proposed Acquisition is implemented by way of the Scheme, such Scheme will be implemented on the same terms, subject to appropriate amendments to reflect the change in method of effecting the Proposed Acquisition, including (without limitation and subject to the consent of the Panel):

- (i) its approval by a majority in number representing not less than three-fourths in value of the relevant Darty Shareholders (or the relevant class or classes thereof, if applicable) present and voting, either in person or by proxy, at the Court Meeting and at any separate class meeting which may be required by the Court or at any adjournment of any such meeting on or before the 22nd day after the expected date of the Court Meeting to be set out in the Scheme Document in due course (or such later date, if any, as Fnac and Darty may agree and the Court may allow);
- (ii) all resolutions necessary to approve and implement the Scheme being duly passed by the requisite majority or majorities at a Darty General Meeting or at any adjournment of that meeting on or before the 22nd day after the expected date of the Darty General Meeting as set out in the Scheme Document in due course (or such later date, if any, as Fnac and Darty may agree and the Court may allow); and

- (iii) the sanction of the Scheme by the Court with or without modification (but subject to any such modification being acceptable to Fnac and Darty) on or before the 22nd day after the expected date of the Court hearing to sanction the Scheme as set out in the Scheme Document in due course (or such later date, if any, as Fnac and Darty may agree and the Court may allow) and the delivery of a copy of the Scheme Order within seven Business Days thereafter to the Registrar of Companies in England and Wales.

In addition, if the Proposed Acquisition is implemented by way of the Scheme, the Scheme will be conditional upon the Conditions set out above and, accordingly, the necessary actions to make the Scheme effective will not be taken unless the Conditions set out above have either been waived (if permitted) or fulfilled.

Part D

Certain further terms of the Proposed Acquisition

The availability of the Proposed Acquisition to persons not resident in the United Kingdom and France may be affected by the laws of the relevant jurisdictions. Persons who are not resident in the United Kingdom or France should inform themselves about and observe any applicable requirements.

The Proposed Acquisition will be governed by English law and be subject to the jurisdiction of the English courts, to the Conditions and terms set out in this Announcement and in due course in the Offer Document and the accompanying Forms of Acceptance. The Proposed Acquisition will comply with the applicable rules and regulations of the FCA and the London Stock Exchange, Euronext Paris, the AMF and the City Code.

Each of the Conditions shall respectively be regarded as a separate Condition, and shall not be limited by reference to any other Condition.

If the Proposed Acquisition lapses for any reason, the Proposed Acquisition will cease to be capable of further acceptance, and Fnac and accepting Darty Shareholders will cease to be bound by acceptances of the Proposed Acquisition delivered on or before the time when the Proposed Acquisition lapses.

The number of New Fnac Shares available under the Partial Share Alternative may (in Fnac's sole discretion) be scaled down to the extent required to ensure sufficient New Fnac Shares will be available as may be required on the reintroduction of a partial share alternative on the same terms as were available to Darty Shareholders who accepted the Increased Offer and elected for the Partial Share Alternative on the operation of Sections 974 to 991 of the Act (which relate to the right of Darty Shareholders who have not accepted in respect of the Proposed Acquisition to have their Darty Shares acquired by Fnac and the right of Fnac to acquire such Darty Shares, in each case, on the same terms as the Proposed Acquisition).

Fractions of New Fnac Shares will not be allotted to Darty Shareholders pursuant to the Partial Share Alternative. If an election made by a Darty Shareholder to receive New Fnac Shares under the Partial Share Alternative would not result in the issue of a whole number of New Fnac Shares to that Darty Shareholder (after any *pro rata* scaling down in accordance with the terms of the Partial Share Alternative), the number of New Fnac Shares to be issued to that Darty Shareholder shall be rounded down to the nearest whole number and the balance of the consideration will be satisfied in cash, provided that if such balance is an amount of less than £5.00, it will be retained for the benefit of Fnac.

Any fractional entitlements to New Fnac Shares to which an Eligible Darty Shareholder becomes entitled as a result of any implementation of the Partial Cash Alternative will not be allotted to Darty Shareholders but will be aggregated and sold as soon as practicable after the Effective Date. The net proceeds of such sale will then be paid in cash to the relevant Darty Shareholders in accordance with their fractional entitlements. Individual entitlements, however, to amounts of less than £5.00 will not be paid to Darty Shareholders but will be retained for the benefit of Fnac.

The New Fnac Shares, which will be issued in connection with the Proposed Acquisition, have not been and will not be registered under any of the relevant securities laws of Canada, Japan, Australia, South Africa or the United States and no regulatory clearance in respect of the New Fnac Shares has been, or will be, applied for in any jurisdiction other than the United Kingdom and France. The New Fnac Shares may not be offered, sold or delivered, directly or indirectly, in Canada, Japan, Australia, South Africa or the United States except pursuant to exemptions from applicable requirements of any such jurisdiction.

The New Fnac Shares will be issued credited as fully paid, will be admitted to trading on Euronext Paris and will rank *pari passu* in all respects with Fnac Shares in issue at the time the New Fnac Shares are issued pursuant to the Proposed Acquisition, including the right to receive and retain dividends and other distributions declared, made or paid by reference to a record date falling after the Effective Date.

Darty Shares which will be acquired under the Proposed Acquisition will be acquired fully paid and free from all liens, equities, charges, encumbrances, options, rights of pre-emption and any other third party rights and interests of any nature and together with all rights now or hereafter attaching or accruing to them, including voting rights and the right to receive and retain in full all dividends and other distributions (if any) declared, made or paid on or after the Effective Date.

If any dividend (or other distribution) is paid or becomes payable by Darty to Darty Shareholders, Fnac reserves the right to make an equivalent reduction to the offer consideration payable pursuant to the Increased Offer.

QUANTIFIED FINANCIAL BENEFITS STATEMENT

Part A

Section 4 of this Announcement (*Synergy potential of the Proposed Acquisition*) contains statements of estimated synergies arising from the Proposed Acquisition (together, the “Quantified Financial Benefits Statement”). The reports referred to therein can be found at Parts B and C of this Appendix 5.

The Quantified Financial Benefits Statement is made under Rule 2.7 of the City Code.

A copy of the Quantified Financial Benefits Statement is set out below:

“The Fnac Board believes that the Proposed Acquisition will result in compelling financial benefits to the Combined Group, including total annual pre-tax synergies of at least €130 million *per annum*. This amount is premised upon Fnac’s intention to maintain separate Fnac and Darty brands and commercial concepts following the completion of the Proposed Acquisition. It does not take into account the impact of any remedies that may be imposed by the French Competition Authority.

It is assumed the Proposed Acquisition will complete by no later than September 2016. Under this assumption, approximately 5 per cent. of these synergies would be realised in 2016, rising to at least 50 per cent. in 2017, 90 per cent. in 2018 and 100 per cent. thereafter.

The one-off costs to deliver these savings, including additional capital expenditures, are expected to total approximately €105 million - €110 million.”

Sources and phasing of synergies

The principal sources of quantified synergies are expected to be as follows:

- approximately half of the identified synergies are expected to arise from (i) purchasing synergies in the retail categories of brown goods, grey goods and small domestic appliances in which both Fnac and Darty operate, as well as (ii) revenue synergies derived from cross-selling of editorial products and white goods (in particular through store-in-store initiatives), extending Fnac’s ticketing offer within Darty stores in France and Belgium and leveraging on both group’s respective omni-channel capabilities to drive sales growth; and
- approximately half of the identified synergies are expected to arise from other cost synergies, including optimisation of warehousing and transport activities, integration of IT systems, of certain headquarter and support functions within the UK, France and Belgium, and from savings in procured services.

Fnac has identified these synergies in the context of its intent to maintain separate Fnac and Darty brands and commercial concepts following the completion of the Proposed Acquisition.

The phasing of the cost savings described above assumes, for these purposes, that completion of the Proposed Acquisition occurs no later than September of 2016. It is expected that the realisation of the identified synergies will require estimated one-off cash costs of approximately €105 million - €110 million, including capex, largely occurring in fiscal years 2017 and 2018.

Sources of information

In preparing the Quantified Financial Benefits Statement, Fnac has used an experienced team of senior management from across its business.

Fnac has based its assessment of the expected savings on its own organisational, commercial and cost structures, industry knowledge, on its previous restructuring programmes and growth initiatives, and on publically available information including the Darty website, press releases, annual report and accounts, public reporting and analysts' research.

Bases of belief

In identifying the synergies, Fnac has formulated the following principal bases of belief supporting the statement:

- Fnac and Darty are both listed companies and have similar leadership and governance structures. Synergies can therefore be realised through consolidation of corporate leadership, corporate governance and the activities associated with public listing.
- Fnac and Darty both operate within the specialist retail sector and have similar organisational requirements for support to their operations. Synergies can therefore be realised through the integration of certain back-office and IT support functions.
- Synergies can be realised through the combination of the warehousing and distribution networks of Fnac and Darty in France and Belgium.
- Synergies can be realised through the consolidation of procurement and management of third party support services to the Fnac and Darty store operations.
- Fnac and Darty have overlap in their retail offerings and supplier bases in the brown and grey goods segments and in small domestic appliances. Synergies can therefore be realised through the consolidation of procurement activities in these segments.
- Revenue synergies can be realised by leveraging both companies' omni-channel capabilities and complementary offering, including cross-selling of editorial products and white goods through store-in-store initiatives.

Procedures performed

Fnac carried out the following procedures to identify the potential quantum and phasing of the merger benefits within the areas above:

- Considered the organisation structures and future operating model of the combined business.
- Developed hypotheses in each merger benefit area, identified the addressable costs and the potential quantum of each synergy.
- Validated these hypotheses through internal discussion, through review of publically available information and through consideration of Fnac's own track record of identifying and delivering benefits within each merger benefit area.

For the purpose of Fnac's synergy assessment, the *pro forma* baseline cost of the combination was considered to be €7,140 million, being the sum of the full fiscal year operating costs, exclusive of depreciation and amortisation, of Groupe Fnac S.A. (for fiscal year to 31 December 2014) and of Darty plc (for fiscal year to 30 April 2015).

Dis-synergies

Fnac believes that dis-synergies may arise as a result of the review of the Proposed Acquisition by the French Competition Authority. The actual scope and financial impact of any such dis-synergies will be dependent on the outcome of its review.

Additional information

In arriving at the estimate of synergies, Fnac has made the following additional assumptions:

- there will be no significant impact on the underlying operations of either business or their ability to win business from customers; and
- there will be no material changes to macroeconomic, political or legal conditions in the markets or regions in which Fnac and Darty operate that materially impact on the implementation or costs to achieve of the proposed cost savings.

Fnac considers that the expected synergies will only accrue as a direct result of Fnac being combined with Darty and would not be achieved on a standalone basis.

Reports

As required by Rule 28.1(a) of the City Code, Ernst & Young and Rothschild have each provided a report in respect of the Quantified Financial Benefits Statement.

Copies of these reports can be found in Part B and Part C of this [Appendix 5](#).

Each of Ernst & Young and Rothschild has given and has not withdrawn its consent to the publication of its report in this announcement in the form and context in which it is included.

Important Notes

1. The statements of estimated cost savings and synergies relate to future actions and circumstances which, by their nature, involve risks, uncertainties and contingencies. As a result, the cost savings and synergies referred to may not be achieved, or may be achieved later or sooner than estimated or those achieved could be materially different from those estimated.
2. Due to the scale of the Combined Group, there may be additional changes to the Combined Group's operations. As a result, and given the fact that the changes relate to the future, the resulting cost savings may be materially greater or less than those estimated.
3. No statement in the Quantified Financial Benefits Statement, or in this announcement generally, should be construed as a profit forecast or interpreted to mean that the Combined Group's earnings in the first full year following a merger, or in any subsequent period, would necessarily match or be greater than or be less than those of Fnac and/or Darty for the relevant preceding financial period or any other period.
