PRESS RELEASE | APRIL 2018

The 8th annual Fnac Live Paris takes place July 5th-7th

Like every year, this unmissable event of the summer will showcase about thirty free concerts in front of the Paris Hôtel de Ville and in its reception halls.

The square outside Hôtel de Ville will host its share of headliners and sneak peaks, and inside will be the ideal venue for some unique shows: for the first time in his career **Dominique A** will be showcasing a set arranged for piano and guitar; **Sting & Shaggy** will go unplugged at their one-and-only summer appearance; and **Françoise Fabian** will appear on stage and in public for the first time to launch her album *Tant de choses que j'aime*.
