# H1 2022 BUSINESS AND STRATEGIC REVIEW

**FNAC DARTY** 

### GOOD RESILIENCE OF H1 2022 RESULTS

- H1 2022 revenue of €3,428m, down slightly by -1.1% on a reported basis and -1.7% on a like-for-like basis¹ compared with H1 2021, in the context of a very high comparison basis and sharply rising inflation
  - Compared with proforma 2019\*, H1 2022 revenue showed strong growth of +8.4%, driven by an increase in the average basket
  - Strong work with all suppliers to adjust inventory levels in order to continue to offer a good level of product availability throughout the period
- Gross margin rate of 30.9%, up +120 bps vs. H1 2021, mainly driven by Darty Max and the gradual recovery of the ticketing business
- Current operating income of €19m, roughly stable vs. H1 2019 proforma<sup>1</sup> and H1 2021 excluding the one-off purchasing power bonus of c. €7m and the expenses allocated to activities rolled-out during the semester

<sup>&</sup>lt;sup>1</sup> Like-for-like excludes changes in foreign exchange rates, changes in scope of consolidation, openings and closures of integrated stores \*Including Nature & Découvertes on a full-year basis and excluding BCC

### H1 2022 REVENUE BY CHANNEL AND PRODUCT CATEGORY

#### By channel:

- In-store sales showed solid growth in all regions with all stores reopened
- Online sales amounted to 22% of total sales, up +4 pts compared with the pre-pandemic level, as
  digital market penetration returned to normal after two years of online sales being boosted by store
  closures
- Click & collect remains at a high level of 47% of online sales in H1 2022
- By product category:
  - In the context of a high comparison basis, market volumes in **appliances** declined mainly due to sluggish household consumption, while the average selling price continued to increase gradually
  - Good momentum in telephony, sound and photo offset by a decline in categories that outperformed during the health crisis
  - **Books** continued to post strong sales growth, in line with the gradual recovery in store traffic and the positive impact of the Culture Pass
  - Growth of services thanks to Darty Max expansion as well as gradual recovery in ticketing

# A RESPONSIBLE PLAYER WITH A STRONG COMMITMENT TO REPAIRS AND SUSTAINABLE CONSUMPTION

#### > First steps in the roll-out of the partnership with Apple

- 143 WeFix points of service joined the network of Apple Authorized Service Providers (AASPs) in France at the end of June and now have access to Apple spare parts
- Strengthens the Group's commitment to product repair and durability which will contribute to achieving the target of 2.5 million products repaired by 2025

1<sup>st</sup> retailer to launch "informed delivery"

- Integration of an innovative tool called "informed delivery" on Fnac and Darty websites
  - Customers can estimate the environmental impact of the various delivery methods when purchasing on fnac.com and darty.com
  - → Helps to educate customers and reduce the environmental impact of the Group's e-commerce activity

#### Further enrichment of the Darty Max service offering

- Extension of Darty Max to all Fnac integrated stores and introduction of the first video-based product care and maintenance service
- o To meet the growing number of products being repaired, more than 220 technicians are being trained
- Contributes to achieving the target of 2 million Darty Max subscribers by 2025 and increasing the number of products repaired

### FRANCE AND SWITZERLAND IN H1 2022

€m	H1 2021	H1 2022	Change
Revenue	2,878	2,844	-1.2%
Current operating income	32.7	16.7	-16.0

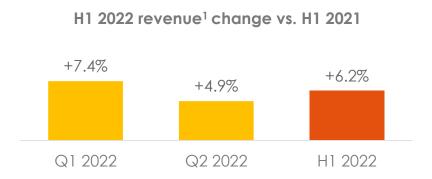

#### Resilience of sales in H1 2022

- Strong momentum in books, telephony and sound
- IT equipment and TV suffered from high comparison basis and appliances from sluggish household consumption, which penalized volumes in this market
- Nature & Découvertes showed growth in revenue yoy but is still penalized by a level of traffic that remains below the pre-crisis level
- Services performed well, driven by solid growth from Darty Max and the gradual recovery of ticketing
- Current operating income decreased to €17m mainly due to the impact of the PEPA bonus and the opex allocated to the rolling out of new activities during H1

<sup>1</sup> Like-for-like excludes changes in foreign exchange rates, changes in scope of consolidation, openings and closures of integrated stores

### IBERIAN PENINSULA IN H1 2022

€m	H1 2021	H1 2022	Change
Revenue	285	306	+7.1%
Current operating income	-4.2	-1.9	+2.3

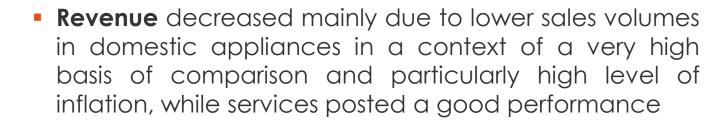

#### Strong revenue growth

- Significant store performance, boosted by a more favorable comparison basis due to the later end of lockdown measures in 2021
- All product categories sustained the sales growth in both countries, particularly books, telephony, photo and sound as well as services
- Current operating income improved by €2.3m despite an aggressive competitive environment, particularly in Spain

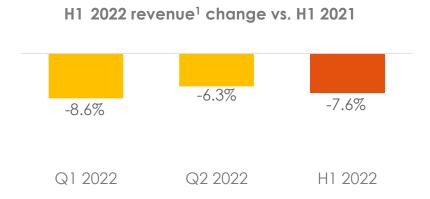

Like-for-like excludes changes in foreign exchange rates, changes in scope of consolidation, openings and closures of integrated stores

## BELGIUM AND LUXEMBOURG IN H1 2022

€m	H1 2021	H1 2022	Change
Revenue	301	279	-7.3%
Current operating income	5.6	3.8	-1.8

 However, the team's solid commercial execution enabled the region to outperform the market and post a resilient Current operating income of €4m

Like-for-like excludes changes in foreign exchange rates, changes in scope of consolidation, openings and closures of integrated stores

### H1 2022 GROUP FINANCIAL RESULTS

€m	H1 2021	H1 2022
Revenue	3,465	3,428
Gross margin	1,029	1,058

Tax expense	-9	-3
Net income from continuing operations, Group share	1	-17
Discontinued operations	17	-0
Consolidated net income, Group share	17	-18

#### Continued tight control of operating costs

- Most of the rise in operating costs is due to the closure of some stores last year as a result of the Covid crisis, the PEPA bonus and the costs linked to the rolling out new activities
- Implementation of performance plans enabling the Group to almost entirely offset the impact of inflation
- Operating costs as a percentage of sales are slightly lower in H1 2022 than in H1 2019<sup>1</sup>

#### Current operating income at €19m

Roughly stable vs. H1 2021 and proforma H1 2019<sup>1</sup>, excluding the PEPA bonus and the impact of the rolling out new activities

Operating free cash-flow <sup>1</sup>	-577	-764

- **EBITDA at €192m** including the impact of IFRS 16, down by -€18m vs. H1 2021, in line with the change in current operating income
- Operating free cash-flow¹ stands at -€764m, mainly impacted by:
  - Unfavorable change in working capital requirements resulting in particular from advance product purchases amid sharply rising inflation and shortages of certain essential components
  - Building up inventories for the opening of 14 new Fnac shop-in-shops within Manor stores
  - Slightly higher level of capex than in H1 2021, as expected, due to the opening of the Fnac shop-in-shops in Manor

# OUTLOOK

**FNAC DARTY** 

#### OUTLOOK

- The Group has demonstrated its resilience in H1 2022 in a context of rising inflation and geopolitical uncertainties that still impact visibility in the coming months
- For the rest of the year, the Group:
  - ✓ Remains fully committed to continuing to outperform the market, as it demonstrated in H1;
  - ✓ Keeps focusing its efforts on optimizing its gross margin rate thanks to:
    - effective supply-chain management enabling the Group to provide a wide range of products in a context of pressure on purchasing power and price increases, particularly in the more premium product categories
    - a positive service mix mainly driven by Darty Max
  - ✓ Continues to implement solid cost control through efficient performance plans that already offset the vast majority of inflation in H1 2022 and will continue in H2;
  - ✓ Adjusts its operating investments for 2022 to be slightly below €140m.
- Fnac Darty will continue to execute its strategic plan Everyday and confirms its objectives of achieving:
  - ✓ Cumulative free cash-flow from operations<sup>1</sup> of c. €500m over the 2021-2023 period;
  - ✓ Annual free cash-flow from operations<sup>1</sup> ≥ €240m from 2025 onwards.
