FY 2022 ACTIVITY AND STRATEGIC EXECUTION REVIEW

FNAC DARTY

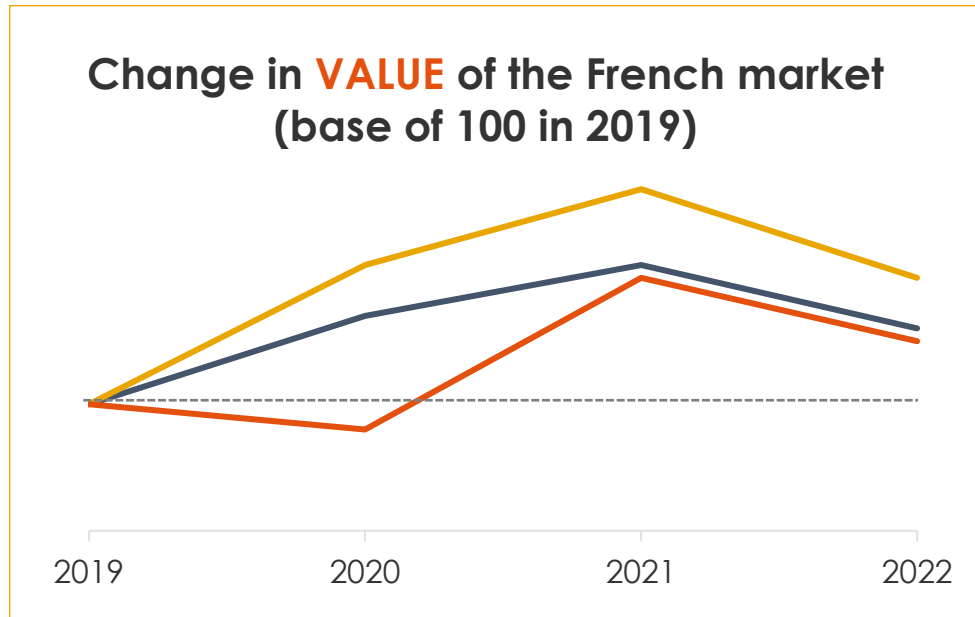

GROUP'S RESILIENCE

- 📌 **Resilient sales of €7,949 million in 2022**
 - Growth of **+7%** compared to pro-forma 2019 figures¹
- 📌 **Solid gross margin performance, up by +€36 million year on year**
 - Gross margin rate in **line with 2019 level**
- 📌 **2022 current operating income of €231 million**
 - Period of inflation much higher than in previous years, impacting costs

¹ Excluding BCC and including Nature & Découvertes on a full-year basis.

BACKGROUND INFORMATION

- 📌 Markets that have recorded **positive growth in value since 2019**, with mixed changes in volume depending on the product category
- 📌 **A retail sector undergoing a profound transformation**, with some players struggling **and a greater focus on specialists**
- 📌 An e-commerce market with lower-than-expected growth, primarily impacting pure players

FNAC DARTY SHOWED RESILIENCE BY RELYING ON ITS STRENGTHS

🏆 A winning complementarity of its stores and web platforms

- This year, **stores performed well**, as they were open and popular with customers
- **Omnichannel sales** remain **high** (≈ 50%)

🏆 A wide range of products and services

- A **positioning increasingly focused on premium products**, making it easier to pass on price increases to customers and thus secure a high gross margin level
- A **wide range of products and services available throughout the year** to meet various customer expectations: innovative products, Second Life, services (repair, etc.)
- **Targeted sales events** during peak sales periods, allowing high sales to be recorded while maintaining the gross margin

The 2022 results for the Group attest to the power of its omnichannel model and its operational agility, confirming its strategic choice to transform its model

DIGITAL EXPERIENCE AT THE HEART OF THE GROUP'S STRATEGY

- 📌 Online penetration up **3 points** compared to 2019, at **22%** at the end of 2022
- 📌 **+8% increase in active online customers¹** in France between 2019 and 2022
- 📌 **1 in 2 online sales** is **omnichannel**

- 📌 **3,000** Fnac/Darty salespeople already trained
- 📌 Conversion rate up to **4x** higher

¹ Active online customers = customers who have made at least one purchase on fnac.com or darty.com in the last 12 months.

TARGETING A 100% PROFITABLE STORE NETWORK BY 2025

Network of **987 stores**, **43% of which are franchises**

FY 2022 FINANCIAL RESULTS

FNAC DARTY

REVENUE AND GROSS MARGIN

€M	2021	2022	% change
Revenues	8,043	7,949	-1.2%
<i>France and Switzerland</i>	6,701	6,613	-1.3%
<i>Iberian Peninsula</i>	702	720	+2.6%
<i>Belgium and Luxembourg</i>	640	616	-3.7%
Gross margin <i>As a % of revenue</i>	2,374 29.5%	2,410 30.3%	+36 +0.8pt

📌 Resilient sales of €7,949 million in 2022

- This was a drop of just **-1.2% on a reported basis and -1.9% on a like-for-like basis¹** compared to 2021
- Continued growth at **+7% compared to pro-forma 2019 figures²**
- Only the **Iberian Peninsula posted sales growth in 2022**, which was linked to a more gradual lifting of health restrictions compared to the other two regions

📌 Solid gross margin performance: +€36 million in 2022

- **Gross margin rate of 30.3%**, up **+80 bps** compared to 2021
- **More favorable product mix effect, growth of services and recovery of ticket sales** more than compensated for the dilutive technical effect of the franchise activity

¹ Like-for-like basis: excludes effect of changes in foreign exchange rates, changes in scope, and openings and closings of directly-owned stores.

² Excluding BCC and including Nature & Découvertes on a full-year basis.

OPERATING EXPENSES

- 📌 Against the backdrop of high inflation, operating costs were €2,179 million in 2022, up +3.6% compared to 2021
- 📌 The increase in inflation-related costs was almost entirely contained by the performance plans
- 📌 Payroll rose by +3% between 2022 and 2021, representing 40% of the total increase in costs
 - Historic impact of the closure of certain stores related to the health crisis in the first half of 2021
 - Average increase in salaries in 2022 higher than previous years against a backdrop of high inflation
 - PEPA of approximately €7 million distributed at the start of the year

FINANCIAL RESULTS

€M	2021	2022
Current operating income	271	231
Other non-current operating income and expenses	-10	-27
Operating income	260	204
Net financial expense	-42	-45
Income tax	-74	-54
Net income from continuing operations, Group share	145	100
Income from discontinued operations	15	-132
Net income, Group share	160	-32

📌 Current operating income of €231 million

- Down -€40 million compared to 2021, in a period when inflation was much higher than in previous years

📌 Net income from continuing operations, Group share of €100 million

- **Non-current items of -€27 million**, including exceptional expenses incurred by the restructuring of the property portfolio (including the closure of the Fnac Italie 2 store)
- **Financial expenses¹ unchanged year on year at -€45 million**
- **Tax expense of -€54 million**, down -€20 million in line with the reduction in the Group's results; effective tax rate virtually stable compared to 2021

📌 Net income from discontinued operations of -€132 million

- In connection with the litigation relating to the **disposal of Comet Group Limited in 2012**, the Group was ordered to pay a total of €129.3 million in addition to legal fees totaling €2.6 million.

¹ Including IFRS 16.

FREE CASH-FLOW FROM OPERATIONS

€M	2021	2022
EBITDA	621	580
IFRS 16 impact	-247	-254
Non-current cash items and EBITDA non-cash items	15	-9
Cash-flow before tax, dividends and interest, excluding IFRS 16	389	317
Change in WCR ¹	-34	-146
Operating investments ²	-116	-131
Income tax paid	-69	-70
Free cash-flow from operations³	170	-30

Free cash-flow from operations decreased by -€200 million between 2021 and 2022

- Cash-flow decrease in relation to a drop in income
- A sharp decline in WCR linked to:
 - ✓ Reduced cash inflows, which are in line with lower-than-expected sales in December 2022
 - ✓ More cash outflows early in the year, due to especially robust activity in late 2021
 - ✓ Inventories remained under control, rising by just +3% as a result of lower-than-expected activity at the end of the year
- Investments increased by +€15 million, in line with expectations

¹ Includes the change in payables and receivables relating to non-current assets.

² Investments net of divestments.

³ Excluding IFRS 16.

NET FINANCIAL DEBT

📌 The change in the Group's net cash in 2022 was primarily due to:

- The change in free cash-flow from operations, explained in the previous slide
- The outflow of a total of €131 million in connection with the litigation at the end of 2022 relating to the sale of Comet Group Limited in 2012. This includes £89.6 million in penalties in addition to interest, court costs and legal fees.

¹ Excluding IFRS 16.

* Includes the change in payables and receivables relating to non-current assets.

** Includes acquisitions and disposals of subsidiaries net of debt as well as acquisitions and disposals of other financial assets.

STABLE Q1 2023 REVENUE

Group LFL¹ revenue evolution (%)

Steady online sales share (€m)

- Q1 2023 revenue at €1,781m, stable both on a reported basis and a like-for-like basis¹ compared with Q1 2022, in the context of increased inflation and pressure on household purchasing power
- Performance driven by solid **in-store sales growth** while **digital remains at a high level** with the click & collect rate up +2 pts yoy to 49% of online sales²
- Gross margin rate stable vs. Q1 2022 and up +20bps** excluding the dilutive impact of franchising, mainly driven by positive impact of services (Darty Max, Ticketing), partially offset by a negative Channel/product mix effect (gaming, appliances)

¹ Like-for-like: excluding the effect of changes in foreign exchange rates and scope of consolidation, openings and closures of integrated stores

FNAC DARTY

DEFINITIONS (1/2)

📌 Definition of like-for-like sales growth

- This indicator measures changes in revenue excluding exchange rate fluctuations, the impact of change in scope and the impact of the opening and closing of directly owned stores since January 1, N-1.

📌 Definition of current operating income

- The monitoring of the Group's operating performance uses current operating income as the main operating balance. It is defined as the difference between the total operating profit and “non-current operating income and expenses.”
- Current operating income is an intermediate line item intended to facilitate the understanding of the entity's operating performance and that can be used as a way to estimate recurring performance.

Q1 2023 REVENUE BY REGION AND PRODUCT CATEGORY

- Mixed sales performance by region with resilience of sales in **France and Switzerland**, contrasted performance in **Iberian Peninsula** while good momentum **Belgium and Luxembourg**

- By product category,

- **Books** continued to post strong sales growth, in line with the recovery in store traffic
- Growth of **services** thanks to Darty Max roll out and further rebound in ticketing
- Good momentum in **telephony** (gain in market share), **sound** and **photo** offset by the decline in categories that outperformed in the crisis (computers)
- In the context of a high inflation, volumes in **appliances** declined, partially offset by price increases

¹ Like-for-like, excluding the effect of changes in foreign exchange rates and scope of consolidation, openings and closures of integrated stores

ENERGY

📌 Background information

- General context of **rising energy prices**
- The Group agreed a hedging policy with Solvay that will run until 2024 for volumes that are subject to market rates
- At the end of 2022, Solvay wanted to revise this agreement → Fnac Darty was **forced to enter an agreement with another supplier** at a time when prices were the highest

📌 Expected increase in energy costs in 2023

- Increase in energy costs estimated to be between **+€30 million and +€50 million** in 2023 compared to 2022
- Impact of this increase expected to be **more significant over the first half** of the year compared to the second half
